Chris,

I just checked the *Integrity* system and I do not see a nominee report for Dr. Shulkin pending with OGE. The first step is for him to work with the Presidential Transition Team (PTT) to get started in *Integrity*. PTT will then release the report to your agency and OGE. Until the report is release to us by PTT, we can't see it in *Integrity*.

Has PTT been working with him to start a nominee report in *Integrity*?

Thanks,

Deb

Ms. Tammy L. Kennedy
Chief Counsel and
Designated Agency Ethics Official
U.S. Department of Veterans Affairs
Washington, D.C. 20420

Dear Ms. Kennedy,

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Secretary of the U.S. Department of Veterans Affairs.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I received a severance payment from Atlantic Health System on July 2, 2015. Until July 3, 2017, I will not participate personally and substantially in any particular matter involving specific parties in which I know Atlantic Health System, or its hospitals, is a party or represents a party, unless I first receive a written waiver pursuant to 5 C.F.R. § 2635.503(c).

My spouse owns a medical practice, Merle Bari MD and Associates Inc. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Merle Bari MD and Associates Inc., unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1).

I have been advised that the duties of the position of Secretary may involve particular matters affecting the financial interests of the following entities: ImaCor, Inc., Control Rad Inc., SpectraMD, Inc., and Electrocore, Inc. The Department has determined that it is not necessary at this time for me to divest my interests in these entities because the likelihood that my duties will involve any such matter is remote. Accordingly, with regard to each of these entities, I will not participate personally and

Ms. Tammy Kennedy

substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity for as long as I own it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I have an agreement with Hutchinson Biofilm Medical Solutions Ltd. that entitles me to receive a grant of stock options from the company if, at any time in the future, the company issues stock options. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Hutchinson Biofilm Medical Solutions Ltd., unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I will divest my interests in the following entities within 90 days of my confirmation: Amazon, Bank of America, Citigroup Inc., JP Morgan Chase, Morgan Stanley, Wells Fargo, and M&T Bank Corp. With regard to each of these entities, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I understand that I may be eligible to request a Certificate of Divestiture for qualifying assets and that a Certificate of Divestiture is effective only if obtained prior to divestiture. Regardless of whether I receive a Certificate of Divestiture, I will ensure that all divestitures discussed in this agreement occur within the agreed upon timeframes and that all proceeds are invested in non-conflicting assets.

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Teresa and Sandra,

Good afternoon. I was hoping you could provide me with some information about when we can expect to receive OGE documents for two of our nominees.

The most immediate concern is General Kelly, who will be nominated to be DHS Secretary. In

the past, because of the nature of the agency and its national security mission, this position has been confirmed on the day of inauguration. We expect to do the same for this administration. HSGAC is holding a hearing on Jan. 11.

Rep. Mulvaney will be nominated to serve as OMB Director. We expect to hold his hearing on Jan. 18.

Could you let me know when we can expect to receive the required ethics documents, or if there is another individual I should contact in the office?

Thank you,
Gabrielle

Yasi,

I've added Deb and Heather on cc. Please include them on correspondence over the weekend. They can preclear when they hear from you that the Congressman is ready to go with his EA and 278.

Or work through any last-minute issues if the Congressman has adjustments.

Thanks,

Jim

Deborah, hope you are well. I was wondering if it wouldn't be possible to deliver the original copies of Mr. Mulvaney's OGE letter and the original copy of the SF278? Adam is no longer with the committee and unfortunately we weren't aware of an agreement for us to pick up these documents. Please let us know if this is possible. Any help that you could give concerning this would be greatly appreciated. My direct line is [REDACTED] Thank you very much!!!

Dear Ms. Cohen:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Director of the Office of Management and Budget.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I formed a holding company doing business as The Mulvaney Company, Inc., to hold and manage real estate investments. Upon confirmation, I will resign from my position as President of this entity but my spouse will continue to operate it. I will continue to have a financial interest in this entity, but I will not provide services material to the production of income. Instead, I will receive only passive investment income from it. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of The Mulvaney Company, Inc., unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

Upon confirmation, I will resign from my position as managing member of MP/Collins Road, LLC, but my spouse will continue to operate it. I will continue to have a financial interest in this entity, but I will not provide services material to the production of income. Instead, I will receive only passive investment income from it. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of MP/Collins Road, LLC, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

Upon confirmation, I will resign from my position as trustee of the Irrevocable Life Insurance Trust. I will not participate personally and substantially in any particular matter that to

my knowledge has a direct and predictable effect on the financial interests of this trust, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. 208(b)(2).

I will retain my positions as trustee of the three education trusts for my dependent children. I will not receive any fees for the services that I provide as a trustee during my appointment to the position of Director of OMB. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of these trusts, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. 208(b)(2).

Within 90 days of confirmation, I will divest my interests in the entities listed below. With regard to each of these entities, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

Dear Mr. Shaub:

This is a formal re-transmittal under letterhead of the following information which was originally submitted to your office by email on January 14, 2017.

I have reviewed the Public Financial Disclosure Report (OGE Form 278e) (dated January 14, 2017), submitted by Representative John Michael Mulvaney, in connection with President-Elect Trump's intent to nominate him to serve as Director of the Office of Management and Budget.

I just left you a voicemail. Do you have any status update on Gen. Kelly's OGE documents you could share with me? I'm told the documents were released to OGE by the transition team on the 23rd or 24th. We are holding a hearing on the 11th, and hoping to get the OGE documents by the end of this week.

Teresa and Sandra,

Good afternoon. I was hoping you could provide me with some information about when we can expect to receive OGE documents for two of our nominees.

The most immediate concern is General Kelly, who will be nominated to be DHS Secretary. In

the past, because of the nature of the agency and its national security mission, this position has been confirmed on the day of inauguration. We expect to do the same for this administration. HSGAC is holding a hearing on Jan. 11.

Rep. Mulvaney will be nominated to serve as OMB Director. We expect to hold his hearing on Jan. 18.

Could you let me know when we can expect to receive the required ethics documents, or if there is another individual I should contact in the office?

Thank you,
Gabrielle

Susan,

The *Integrity* report cannot be amended. He will have to amend the report through a letter addressed to the DAEO. The DAEO will then have to review the amendment and provide an opinion letter to OGE enclosing the filer's amendment letter. I've attached a draft letter for the filer and a draft letter for the DAEO. Please insert the relevant information and email me drafts of each before having the two letters signed.

Let me know when you would like to discuss the positions. I'll be available to talk tonight or tomorrow. I have a conference call tomorrow at either 10:30 am or at noon, but am available before or after.

Thanks,
Deb

Dear Mr. Maher:

The purpose of this letter is to supplement my public financial disclosure report signed on December 24, 2016, and supplement my ethics agreement signed on January 5, 2017. With regard to my financial disclosure report, I inadvertently omitted information concerning an outside position and incorrectly reported another position.

Please be advised that the following information corrects and amends my financial disclosure report as described below.

Part 1 – Filer’s Positions Held Outside U.S. Government

I am amending the title of the position that I hold with DC Capital Partners to reflect that I am a member of the Board of Advisors to that corporation and to correct the date of my service. I did not receive compensation for my service in this position. I am adding my position as a member of the Board of Directors of Michael Baker International LLC. I was compensated for my services by the company for my position as a Director. I do not have an equity interest in either DC Capital Partners or Michael Baker International LLC.

Part 1 is amended to change my position title with DC Capital Partners and to add my position with Michael Baker International, LLC as follows:

Organization Name: DC Capital Partners
City, State: Alexandria, VA
Organization Type: Corporation
Position Held: Member, Board of Advisors
From: February 2016
To: Present

Organization Name: Michael Baker International, LLC
City, State: Pittsburgh, PA
Organization Type: Corporation
Position Held: Member, Board of Directors
From: June 2016
To: Present

Part 2 – Filer's Employment Assets and Income

I am deleting my entry on Part 2 for DC Capital Partners because I did not receive compensation from that company. Instead, I am adding Michael Baker International LLC, a portfolio investment of DC Capital Partners, to this Part because my compensation was for my position as Director of this company.

Part 2 is amended to remove DC Capital Partners and add:

Description: Michael Baker International
EIF: N/A
Value: N/A
Income Type: Director's Fees
Income Amount: \$37,500

Part 4 – Filer's Sources of Compensation Exceeding \$5,000 in a Year

I am amending Part 4 to report my compensation over \$5,000 from Michael Baker International, LLC.

Part 4 is amended to remove DC Capital Partners and add:

Source Name: Michael Baker International
City, State: Pittsburg, PA
Brief Description of Duties: Board Member

In accordance with the foregoing amendments to my financial disclosure report, I am supplementing my ethics agreement dated January 5, 2017, with the following:

Upon confirmation, I will resign from my position with Michael Baker International, LLC. For a period of one year after my resignation, I will not participate personally and substantially in any particular matter involving specific parties in which I know Michael Baker International, LLC, is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

I have been advised that this supplement to my ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Dear Mr. Chairman:

In accordance with the Ethics in Government Act of 1978, I enclose a copy of the financial disclosure report filed by John F. Kelly. President-Elect Trump has announced his intention to nominate Mr. Kelly for the position of Secretary, Department of Homeland Security.

We have reviewed the report and have obtained advice from the agency concerning any possible conflict in light of its functions and the nominee's proposed duties. Also enclosed is an ethics agreement outlining the actions that the nominee will undertake to avoid conflicts of interest. Dear Mr. Maher:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Secretary of the Department of Homeland Security.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

Upon confirmation, I will resign from my positions with the following entities: DynCorp; DC Capital Partners; Flatter & Associates; and Beacon Global Strategies. For a period of one year after my resignation from each of these entities, I will not participate personally and substantially in any particular matter involving specific parties in which I know that entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

I am the sole proprietor of my consulting business, Oak Square Perspectives, LLC, which is dormant and has never had any clients. During my appointment to the position of Secretary of Homeland Security, Oak Square Perspectives, LLC, will remain dormant and will not advertise. I will not perform any services for the business, except that I will comply with any requirements involving legal filings, taxes and fees that are necessary to maintain the business while it is in an inactive status. As Secretary, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Oak Square Perspectives, LLC.

I am owed a payment from the Australian government for a speaking engagement that I have now completed. I received an emoluments clause authorization from the Department of Defense, pursuant to 37 U.S.C. § 908, prior to engaging in this activity. Until I have received full

payment, I will not participate personally and substantially in any particular matter involving specific parties in which Australia, is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Ellen and Sandy,

I printed Elaine's 278e this morning, and am OK with the changes that you made. However, in the copy that I printed this morning, the first change that you noted in Part 6 does not appear to have been made. Since there is (b)(3), (6) perhaps you decided not to make the changes.

Regarding your questions...

(b)(3), (6)

Elaine is asking about the process, timing, etc., so any insights that you can share would be good.

Thanks for your help in this process! Happy holidays!

Hi Sandy,

Thanks again for talking on Thurs. evening. I learned a lot and greatly appreciate the time in the midst of what I know must be an incredibly busy period.

There was some discussion today in a New York Times [article](#) of pressure from the transition on OGE to complete ethics reviews. Can you address whether this was experienced in your review of Secretary Chao? We obviously want to ensure OGE is being given the necessary time and space it needs to complete its critical work.

Thanks and I hope you're able to enjoy some of your weekend!

Judith S. Kaleta
Designated Agency Ethics Official
U.S. Department of Transportation
1200 New Jersey Ave. SE
Washington, DC 20590

Dear Ms. Kaleta:

I am committed to the highest standards of ethical conduct for government officials. The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Secretary of the U.S. Department of Transportation.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I am the sole proprietor of Firebird International, LLC, a pass-through entity established to receive my fees from speaking engagements and compensation from directorships. During my appointment to the position of Secretary, this entity will remain dormant and will not advertise. I will not perform any services for this entity, except that I will comply with any requirements involving legal filings, taxes and fees that are necessary to maintain the entity while it is in an inactive status. As Secretary, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Firebird International, LLC.

Upon confirmation, I will resign from my position with the Hudson Institute. For a period of one year after my resignation from this entity, I will not participate personally and substantially in any particular matter involving specific parties in which I know this entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, I will resign from my position with Ford's Theatre. For a period of one year after my resignation from this entity, I will not participate personally and substantially in any particular matter involving specific parties in which I know this entity is a party or

represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

I resigned from my position with The Heritage Foundation on June 13, 2016. For a period of one year after my resignation from this entity, I will also not participate personally and substantially in any particular matter involving specific parties in which I know this entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, I will resign from my position with News Corporation. I hold unvested deferred stock units with News Corporation. I do not hold any vested deferred stock units, stock options, restricted stock or common stock. Pursuant to the terms of the company's Directors' Deferred Stock Unit Plan, my unvested deferred stock units will vest upon separation from service on the Board, and I will receive a cash payout based on the closing price of the company's Class A common stock on the date of termination. For a period of one year after my resignation, I will not participate personally and substantially in any particular matter involving specific parties in which I know News Corporation is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, I will resign from my position with Ingersoll Rand. I hold vested and unvested retainer stock units with Ingersoll Rand. I do not hold any stock options, restricted stock or common stock. Pursuant to the terms of the company's Directors' Retainer Stock Unit Plan, my unvested retainer stock units will vest upon separation from service on the Board, and I will receive a cash payout for all of my retainer stock units based on the closing price of the company's common stock on the date of my separation. For a period of one year after my resignation from this entity, I will not participate personally and substantially in any particular matter involving specific parties in which I know this entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, I will resign from my position with Vulcan Materials. I hold vested deferred stock units with Vulcan Materials. I do not hold any unvested deferred stock units, stock options, restricted stock or common stock. Pursuant to the terms of the company's Directors' Deferred Stock Unit Plan, I will receive a cash payout for all of my vested deferred stock units in April of the year following the year of my separation from service. The cash payout will be determined based on the closing price of the company's common stock at the time payment is made that April. Until the deferred stock units are redeemed, I will continue to receive deferred stock unit equivalents, which track dividends on the company's common stock. Until I receive the cash payment of my vested deferred stock units, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Vulcan Materials, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

Upon confirmation, I will resign from my position with Wells Fargo & Company. I hold common stock and vested deferred stock compensation with Wells Fargo. I do not hold any stock options or restricted stock. Pursuant to the terms of the company's Directors Stock Compensation and Deferral Plan – Stock Award Deferrals, I will receive a cash payout for my deferred stock compensation (all of which is fully vested at the time of grant) based on various

elections I have made each year that I have served on the Board. The cash payout will be determined based on the closing price of the company's common stock at the time payment is made, and I will continue to receive deferred stock compensation equivalents, which track dividends on the company's common stock until I receive the cash payout. If I resign my position on the board after December 31, 2016, the approximate portion of my deferred stock compensation to be paid out is as follows: July 2017 – 48%; March 2018 – 29%; March 2019 – 15%; March 2020 – 4%; and March 2021 – 4%. Until I receive the final payment, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Wells Fargo, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). For a period of one year after my resignation, I will not participate personally and substantially in any particular matter involving specific parties in which I know Wells Fargo is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

As a former director of Northwest Airlines, which merged with Delta Airlines in 2009, I receive discounted travel on Delta Airlines. I have never been a director of Delta Airlines, and this benefit is taxable on such discounted airfare at rates established by the Internal Revenue Service. I will forgo this discounted airfare for the duration of my appointment as Secretary. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the ability or willingness of Delta Airlines to provide this benefit, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Elaine L. Chao
