Date: Friday, February 26, 2021 12:47:15 PM

Good afternoon,

Program Advisory, PA-21-01, Updates to Certification of Ethics Agreement Compliance, has been posted to the website [here](#). This Program Advisory describes recent updates to the Certification of Ethics Agreement Compliance required to be filed with OGE by Presidential appointees following their confirmation by the Senate. The updates were necessary to reflect the revocation of [Executive Order 13770](#) and the implementation of [Executive Order 13989](#). Other updates include clarification of one of the recusal requirements, the addition of a Privacy Act Statement, and the inclusion of a reminder for PAS officials of their personal responsibility to timely comply with the terms of their ethics agreements.

Desk Officers received an advance copy that was circulated earlier today.

If you have questions regarding the Program Advisory, please let me know.

Thank you for this email and looping me in. I did take over DOD from Steve. I'm ok with you replying to Jeff regarding this as it seems to be a fairly common question that many agencies are asking now as they wait for additional guidance.

Hi Bernadette,

I believe you have taken over as desk officer for DoD from Steve – let me know if this is not the case! I received a question from Jeff Green, with whom I was recently working on a nomination, that relates to the pledge. It is not related to my nomination report, so I wanted to loop you in as desk officer, and I also wanted to loop in Rachel and Monica who are tracking the Pledge questions.

The question is fairly simple: (b) (5)

So I'm happy to get back to Jeff (unless I'm missing something!), but wanted to loop in Bernadette and make sure this question is tracked correctly. Thank you!

Monica,

Emory reviewed the draft I send him and suggested one small change that I made as a redline on the H drive. With that, I think you can put in in final and get it back to him. Also, please have someone do a side by side with the attachment and pledge just to make sure they are identical. Thanks for your quick work.

To say "Executive Order 13770 has been revoked. It required political appointees to agree to additional restrictions by signing an Ethics Pledge. Additionally, it revoked and superseded Executive Order 13490."

If this looks good to you all, I will add the notes to all of those advisories and update the website shortly.

On another front – we will get a new subject matter tag added to the new Biden LAs once we know the EO number. **We might know that number by tomorrow if the first LA doesn't go out until then.**

On our conversation earlier, Dave OK'd the substance of the changes to the notes and he did not indicate that we needed to wait so I think it is OK to go ahead and update the notes on the LA's you previously mentioned.

So far as the updates to the earlier LA's (2009, et. al.) and indicating that the 2017 updates are now 2021 updates it is my understanding that we are waiting until the new LAs are issued. Correct?

Hi Seth,

Hope this email finds you well.

I have a number of emails from agencies (I'm copied into one long series and have a separate question from OPM) about the revoked EO and the new one. Will we be issuing anything on the revoked one anytime soon? I know we'll have guidance on the new one.

Thanks,

Suzanne

Hi Patrick,

Thank you for your thoughts. I appreciate it. I think we should figure out exactly what the note should say. (b) (5)

I think we may need to address that in (b) (5)

Let's think about it and try to get a note on the LA(s) – this week if possible.

Thanks,

FYI: We will need to add a note to the 13770 PGE LA in the near future indicating this action.

I also suggest, but is still TBD, that we issue a preliminary LA soon that

LEGAL ADVISORY

TO: Designated Agency Ethics Officials

FROM: Emory A. Rounds, III
Director

SUBJECT: Executive Orders on Ethics Commitments by Executive Branch Personnel

On January 20, 2021, President Biden signed an Executive Order titled “Executive Order on Ethics Commitments by Executive Branch Personnel.” Pursuant to section 4(c)(i) of the Executive Order, the U.S. Office of Government Ethics (OGE) is providing agency ethics officials with the attached copy of the Ethics Pledge and a [link](#) to the Executive Order.

Among other things, this Executive Order requires every “appointee” in each executive agency appointed on or after January 20, 2021, to sign the Ethics Pledge established therein. The definition of “appointee” in the Executive Order covers “every full-time, non-career Presidential or Vice-Presidential appointee, non-career appointee in the Senior Executive Service (or other SES-type system), and appointee to a position that has been excepted from the competitive service by reason of being of a confidential or policymaking character (Schedule C and other positions excepted under comparable criteria) in an executive agency.” Executive Order, sec. 2(b). However, “[i]t does not include any person appointed as a member of the Senior Foreign Service or solely as a uniformed service commissioned officer.” *Id.*

With respect to this Executive Order, ethics officials and employees may continue to rely on OGE’s prior guidance regarding Executive Orders 13490 and 13770 to the extent that such guidance addresses language common to either of these Executive Orders and the new Executive Order. OGE will issue additional interpretive guidance as needed to address issues implicating new language that appears only in the new Executive Order.

Additionally, Executive Order 13770, which applied to appointees appointed on or after January 20, 2017, was revoked by an Executive Order signed by President Trump on January 20, 2021. The latter [Executive Order](#) states, in part, that “[e]mployees and former employees subject to the commitments in Executive Order 13770 will not be subject to those commitments after noon January 20, 2021.”

As always, agency ethics officials may contact their OGE Desk Officers for advice concerning the application of these Executive Orders in individual cases.

Attachment: Ethics Pledge Form

ETHICS PLEDGE

I recognize that this pledge is part of a broader ethics in government plan designed to restore and maintain public trust in government, and I commit myself to conduct consistent with that plan. I commit to decision-making on the merits and exclusively in the public interest, without regard to private gain or personal benefit. I commit to conduct that upholds the independence of law enforcement and precludes improper interference with investigative or prosecutorial decisions of the Department of Justice. I commit to ethical choices of post-Government employment that do not raise the appearance that I have used my Government service for private gain, including by using confidential information acquired and relationships established for the benefit of future clients.

Accordingly, as a condition, and in consideration, of my employment in the United States Government in a position invested with the public trust, I commit myself to the following obligations, which I understand are binding on me and are enforceable under law:

1. *Lobbyist Gift Ban.* I will not accept gifts from registered lobbyists or lobbying organizations for the duration of my service as an appointee.
2. *Revolving Door Ban — All Appointees Entering Government.* I will not for a period of 2 years from the date of my appointment participate in any particular matter involving specific parties that is directly and substantially related to my former employer or former clients, including regulations and contracts.
3. *Revolving Door Ban — Lobbyists and Registered Agents Entering Government.* If I was registered under the Lobbying Disclosure Act, 2 U.S.C. 1601 *et seq.*, or the Foreign Agents Registration Act (FARA), 22 U.S.C. 611 *et seq.*, within the 2 years before the date of my appointment, in addition to abiding by the limitations of paragraph 2, I will not for a period of 2 years after the date of my appointment:
 - (a) participate in any particular matter on which I lobbied, or engaged in registrable activity under FARA, within the 2 years before the date of my appointment;
 - (b) participate in the specific issue area in which that particular matter falls; or
 - (c) seek or accept employment with any executive agency with respect to which I lobbied, or engaged in registrable activity under FARA, within the 2 years before the date of my appointment.
4. *Revolving Door Ban — Appointees Leaving Government.* If, upon my departure from the Government, I am covered by the post-employment restrictions on communicating with employees of my former executive agency set forth in section 207(c) of title 18, United States Code, and its implementing regulations, I agree that I will abide by those restrictions for a period of 2 years following the end of my appointment. I will abide by these same restrictions with respect to communicating with the senior White House staff.
5. *Revolving Door Ban — Senior and Very Senior Appointees Leaving Government.* If, upon my departure from the Government, I am covered by the post-employment restrictions set forth in sections 207(c) or 207(d) of title 18, United States Code, and those sections' implementing regulations, I agree that, in addition, for a period of 1 year following the end of my appointment, I will not materially assist others in making communications or appearances that I am prohibited from undertaking myself by (a) holding myself out as being available to engage in lobbying activities in support of any such communications or appearances; or (b) engaging in any such lobbying activities.
6. *Revolving Door Ban — Appointees Leaving Government to Lobby.* In addition to abiding by the limitations of paragraph 4, I also agree, upon leaving Government service, not to lobby any covered executive branch official or non-career Senior Executive Service appointee, or engage in any activity on behalf of any foreign government or foreign political party which, were it undertaken on January 20, 2021, would require that I register under FARA, for the remainder of the Administration or 2 years following the end of my appointment, whichever is later.
7. *Golden Parachute Ban.* I have not accepted and will not accept, including after entering Government, any salary or other cash payment from my former employer the eligibility for and payment of which is limited to individuals accepting a position in the United States Government. I also have not accepted and will not accept any non-cash benefit from my former employer that is provided in lieu of such a prohibited cash payment.
8. *Employment Qualification Commitment.* I agree that any hiring or other employment decisions I make will be based on the candidate's qualifications, competence, and experience.
9. *Assent to Enforcement.* I acknowledge that the Executive Order entitled "Ethics Commitments by Executive Branch Personnel," issued by the President on January 20, 2021, which I have read before signing this document, defines certain of the terms applicable to the foregoing obligations and sets forth the methods for enforcing them. I expressly accept the provisions of that Executive Order as a part of this agreement and as binding on me. I understand that the terms of this pledge are in addition to any statutory or other legal restrictions applicable to me by virtue of Federal Government service.

Tagging Tips

Tag if it explains/aids in understanding of the substance of the tag

Example: do not tag with Part 2638: “Your letter requests that OGE issue a ‘formal’ opinion. While OGE does have the authority to issue formal advisory opinions, we have considered the criteria set forth in subpart C of 5 C.F.R. part 2638 and have determined that a formal opinion is not appropriate in this case.” (08x6)

Example: tag with 18 U.S.C. § 207(f): “It is also significant that a position waiver under section 207(c)(2)(C) has the additional effect of categorically exempting senior employees from the restrictions in 18 U.S.C. § 207(f) with respect to activities on behalf of foreign entities. *See 68 Federal Register 7844, 7867 (February 18, 2003)*(preamble to proposed rule describing waiver procedure and relationship to foreign entity restrictions).” (from 06x5)

Example: do not tag with 5 U.S.C. app. §§ 401-408: “As an initial matter, although OGE has authority to provide interpretive assistance concerning 18 U.S.C. § 207, OGE is not authorized to make a determination that an individual has violated 18 U.S.C. § 207 or any other criminal conflict of interest law. *See Ethics in Government Act, 5. U.S.C. app. § 402(f)(5).*” (from 05x6)

Do not tag brief, passing references that restate the substance of the tag without providing additional explanation

Example: do not tag with 18 U.S.C. § 207(a): “In addition, other provisions of section 207, such as section 207(a), could affect your plans to represent others before the [agency].” (from 07x15)

Example: do not tag with 18 U.S.C. §§ 207(b) or (f): “If the former employee is able to remain ‘behind-the-scenes,’ he will not violate any of the three main [§ 207] prohibitions discussed in Question 7. Note that the less frequently applicable provisions in section 207(b), (f) and (l) do cover certain behind-the-scenes activities.” (from 06x7)

Example: tag with 18 U.S.C. §§ 207(a) or (b): “It is worth noting here that, while former senior level SGEs are subject to narrower restrictions on their post-employment activities before their former agencies than former regular senior level employees, all former SGEs are subject to the same restrictions as former regular employees, as set forth in the more general provisions of this statute, namely, sections 207(a) and (b).” (from 03x5)
